

Do you love your community?

Want to meet some new neighbours?

Mount Royal Community Association and the Federation of Calgary Communities, Building Safe Communities are interested in learning about how you and your community members feel about crime and safety in your community.

To do: First, get to know some of your neighbours and what is going on in your community! Then, join us in facilitated discussions about community activities, crime prevention and safety.

Discussion:

- What are the community's assets?
- What are some issues within the community relating to crime and safety?
- What are some past and present engagement, crime prevention and safety initiatives?
- Brainstorm solutions to deal with the issues

RESULTS: Together, we will develop a plan of action to address community issues.

R.S.V.P: Please R.S.V.P to Steve at steve.kelly@shaw.ca

Your input is most valuable!

Wednesday February 5th at 7:00pm – Meet your neighbours and Community Association Board of Directors social event (with *hors d'oeuvres*)
